

Do you love cooking? Or perhaps you are not quite gifted translating recipes into delicious dishes, but you certainly love to eat! Or maybe a batch of cookies just reminds you of a wonderful memory.

Whatever it may be, you might want to keep a copy of the recipe for yourself. And what better way to do just that than creating a quick page, like what these scrappers have done.

Recipes

Create a nice page of your favorite recipe or maybe that first dish you perfected or a happy accident of a meal that you surprised your family with. Take inspiration from these.

Recipes for Little Chefs

Have you started cooking and baking at a young age? Or maybe your little one is interested in helping you around the kitchen. There are very simple recipes that little chefs can practice on; after all, it's always a good idea to start them young once they show interest in something.
