## Cakes by color

While most people usually order cakes with dark brown or white frosting, there are actually a lot of fancy colors you can choose from. You can pick one that would match special events like say, for example, pink for Valentine's day or a date. You can even select a color for a cake based on hobbies and interests like green for plant lovers and turquoise for beach bums.

## Cakes by flavor

One of the primary reasons we enjoy buying and eating cakes is because of their irresistible flavors. Some like it savory but with a healthy twist, while others just don't seem to care as long as it satisfies their sweet palates. What flavor of cake do you like most? Do you crave it often?
