

## THEME of the MONTH

# Candies

Theme – Candies

## Description

This month, we have a very interesting theme that everyone loves. Our theme is about candies! I myself have a sweet tooth and I love everything from cakes, pastries, chocolates and all sorts of candies. Even grandma and grandpa enjoy these sugary treats every now and then. But it's the children above all else who enjoy it more than anything.

Candies can be a fun and unique theme for your layouts too. You can have a layout of your favorite candies, your favorite candy store and so much more. Let's have a look at some of layout inspirations for our March Theme – Candies.
